Draw That Line

Spirit and the feeling of rivalry are at an all time high for this early in the football season and, for that matter, in the entire school year.

However, let's not let this feeling go too far. As far as unnecessary destruction of property, for example.

Last year childish destruction to property at rival schools cost the Associated Students hundreds of dollars.

He went on to say, though, that students are forgetting when and where to though, that students are forgetting when and where to draw the line between school spirit and vandalism. Locals Trounce El Toro, 30-0

By Jerry Wilcox

Our U. S. Marines may do most of the nation's fighting from the "halls of Monteguema to the shores of Tripoli" but they didn't put up much of a battle in the Santa Ana Bowl last night.

Santa Ana College scored twice in both the first and fourth quarters sandwiched around a safety and went on to whitewash the El Toro Marine Air Facility, 30-0, in the season opener.

It marked the first victory for new Don coach Homer Beatty and also gave the Dons a 2-1 edge in the series with the Bulldogs.

A pleasant surprise for Santa
Ana was the powerful running of
unheralded reserve Chuck Shaw.
The 200 pound fullback from
Pemberton, Texas scored one
touchdown, unofficially totaled
101 yards in eight carries, intercepted a pass, and chipped in with
the second longest run of the
night, a 35 yarder. He also renight, a 35 yarder. He also recovered a fumble.

An interesting point in the game was the remarkable accuracy both quarterbacks had in hitting receivers - on the opposite team. The Dons intercepted four

ran the conversion over.

Santa Ana completed the scoring with 4:34 remaining as Shaw carried on runs of 35, 9, and 2 for the touchdown. General Owens packed the conversion across.

The Dons rushed for 246 yards unofficially while the Bulldogs rushed 141 yards. El Toro was penalized 11 times for 95 yards. The locals were guilty seven times All home games will be played in for 75 yards.

BUSY BACKS — Halfback Leroy Whittle and fullback Ron Johnson demonstrate ball carrying drill during recent Don practice. Both started in last night's game with the El Toro Marines.

In fact, Santa Ana didn't complete a pass in 12 attempts although a Billy Mott to Ray Ponce toss, good for a 61 yard touch in Eastern Conference Race

Already tabbed by preseason pigskin prognosticators as the team to battle Mt. San Antonio College for the Eastern Conference title, the Santa Ana Dons will face a full schedule of formidable league and non-league foes this year.

A complete new coaching staff will guide the Dons this season. Head coach Homer Beatty will be assisted by former Washington Redskin end Myrel Moore, Bill

Dutton, who was line coach at the score. Mott's attempted conver-sion was wide. University of California at Davis, and Ken Chesley, a scout with Tackle Tom Dallape dropped Beatty for the past 15 years.

Spotlight **Sports**

A combination of one of the finest junior college coaching staffs in the nation plus an outstanding array of talent in the four major sports should earmark Santa Ana for a banner year in '59 and '60.

By Jerry Wilcox

Probably no one on campus is looking forward to this football season with greater expectancy than this writer, a Garden Grove High grad who has been fed a steady diet of gridiron defeats for four years. This could be your reporter's big chance to peck out the descriptions of a few winning pigskin contests.

The potential is there, especially in football and basketball where the Dons have stamped themselves as Eastern Conference powers in recent years.

Baseball Up

Even the baseball picture has brightened considerably. Previously, winning a baseball game at Santa Ana was like trying to climb Mt. Everest on a pair of roller skates. However, through the efforts of workhorse coach Cliff Rothrock, the Dons appear as if they may be the surprise club in the EC race.

But it is in football that the SAC hopes really lie.

Beginning his first year at the Don helm is former Bakersfield pilot Homer Beatty, who some rival coaches claim, is running neck and neck with a chap named Uncle Sam as the nation's top recruiter of young men.

Probably the richest man on the SAC campus is Anaheim's great southpaw Clint Stark who enrolled here late last week. The lanky lefty recently signed with the St. Løuis Cardinals for a re-ported 75,000 clams. How about
